Dance is a physical skill and in order for the best possible teaching to take place there is an element of touch required to ensure safe technical development and progression. I understand that this will always be performed in a professional and appropriate manner.

If I am unable to collect my child from dancing I will inform the principal or the Operations Manager as soon as possible, and I am aware that Dancestars requires my written consent that someone other than myself/another guardian will be collecting my child. (A signing in sheet will be available on site).

I also understand that due to current legislation I must give my permission for my child to be photographed or videoed during any open day/ presentation. I give permission for videos and or photographs to be taken during my child's dance class.

I give permission for my child's photograph to be used in publicity/advertising for Dancestars Ltd.
